

Company Overview

THE COMPANY

Delta Elettronica S.r.l., on Italian market since 1978

has since become a key player in the electronic components, industrial PC and LCD solutions distribution.

Thanks to established relationships with top tier manufacturers and a large network of international distributors, the company has a worldwide access to the electronic components market

Delta is located in Lombardy-Italy, a strategic position to reach the Central European market.

Delta Elettronica's business is based on three divisions:

- Sales Representative for Italy and EU

Delta Elettronica has distribution agreements with leading European and Asian electronic components manufacturers

- Electronic Components Distribution

Thanks to a worldwide network of partners, Delta Elettronica can supply a wide range of products and offer the service of obsolete and hard to find items

- Industrial Grade PC and IT solutions

Delta Elettronica has a decades-long experience in design and supply of Industrial PCs, IT solutions and network appliances.

THE MARKETS

Delta Elettronica's customers are among the leading companies in many different markets
