

## **REACH REGULATION (EC) No. 1907/2006 COMPLIANCE DECLARATION**

Dear Customer,

Delta Elettronica S.r.l., acting as a distributor of electronic components and not as a manufacturer of the products supplied, confirms that it has implemented and complies with the obligations applicable to its activities under Regulation (EC) No. 1907/2006 (REACH), including all subsequent amendments and updates.

With reference to the latest version of the ECHA Candidate List of Substances of Very High Concern (SVHCs), currently comprising 253 substances, we hereby declare the following:

1. Delta Elettronica S.r.l. does not manufacture or formulate chemical substances, mixtures, or articles, but operates exclusively as a distributor of electronic components and related products.
2. Information regarding the REACH compliance of the products supplied is obtained from the respective manufacturers and qualified suppliers, from whom we receive declarations of conformity, technical data sheets, and other relevant documentation.
3. Based on the information and declarations provided by our suppliers, the products distributed by Delta Elettronica S.r.l. comply with the applicable requirements of the REACH Regulation.
4. To the best of our knowledge and based on information received from manufacturers and suppliers, the products supplied do not contain Candidate List SVHC substances above 0.1% weight by weight (w/w), unless otherwise specified in product-specific documentation or declarations issued by the relevant manufacturer.
5. Certain products may contain substances covered by specific exemptions under Directive 2011/65/EU (RoHS) and its subsequent amendments. In such cases, information regarding the presence of such substances and the applicable exemptions is provided in the technical documentation and declarations of conformity issued by the manufacturer. The presence of such substances, where permitted by applicable legislation, does not affect the compliance status of the product as declared by the manufacturer.
6. Should a manufacturer or supplier communicate any changes concerning substances subject to the information requirements of Article 33 of the REACH Regulation, or any other compliance-related updates, Delta Elettronica S.r.l. will promptly communicate such information to its customers.
7. This declaration is issued based on the information available at the date of issue and on the declarations received from manufacturers and suppliers of the products supplied. As a distributor, Delta Elettronica S.r.l. does not perform chemical analyses, laboratory testing, or destructive verification of the products and relies on information provided through its supply chain.

This declaration supersedes any previous versions relating to REACH compliance.

Yours faithfully,

Delta Elettronica S.r.l.
